

Final seminar in Flora 26, 27 (and 28) of October 2010

- **Activities**

- Poster exhibition at conference venue (and boat if hired)
- Seminar
- Round-table conference during the seminar
- Entertainment
- Conference dinner
- Local excursions during the conference
- Excursion after the conference on the 28th of October

- **Aims**

- Bring to together Clim-ATIC lessons – challenges and barriers as well as opportunities
- Promote outcome/service of Clim-ATIC
- Wider concept of climate change adaptation at community level – how to main stream – what is the role of Local government in this emerging area.

- **Costs**

- The event will be free to attend for all participants. Clim-ATIC partners will get refund on travel expenses. All participants have to pay themselves for accommodation.
