Climate change – Adapting to The Impacts, by Communities in Northern Peripheral Regions

Clim-ATIC invites you to its international project conference

Where: Flora Samfunnshus, Flora, Norway

When: 26 - 28 October 2010

Why:

- 1) Help mainstream climate change adaptation at the community level
- 2) Discuss what is the role of local government in this emerging area
- 2) Present Clim-ATIC lessons – challenges and opportunities
- 3) Promote Clim-ATIC's new training course in climate change adaptation
- 4) Explore future opportunities in the Northern Periphery

What:

- 2 day seminar and round-table debates
- Poster exhibition at conference venue
- Local excursions
- Conference dinner with cultural activities
- One way 1 day adaptation excursion to Leikanger (post-conference)

Who:

- Local and regional politicians
- EU/Nordic level policymakers
- National Climate Change organisations
- Community stakeholders and teachers
- Organisers of other existing or future EU adaptation projects
- Northern Periphery Programme (NPP) representatives
- Clim-ATIC participants and partners and co-financing organisations
- Clim-ATIC Regional Support Group representatives

Costs: The event, including the conference dinner, will be free to attend for all participants
