

# Joint efforts – local and national

Clim-ATIC workshop  
Copenhagen, 17th February 2010

**Mr. Ole Jørgen Grann**  
Senior adviser, KS,  
The Norwegian Association of Local and Regional Authorities

# Local and regional authorities – key player for implementation

- Climate change focus area in KS, mitigation and adaption
- KS policy statement: Local governments responsible for implementation – National government responsible for resources for action
- Objective in 2010: Awareness raising
- Actions: Input to government report, agenda-setting R&D on infrastructure/area planning and adaption measures, information leaflet with cases

# Agenda-setting R&D

- Systemize knowledge on consequences of climate change on municipal infrastructure, related to different parameters
- Analyse adaption measures
- Analyse conditions/barriers for implementation of adaption measures
- Make a comparison with recommended measures in the new governmental report

Objective: Basis for action at local level
