

# Sustainable Scotland Network

- communication between local authorities, with central government, statutory bodies, and other agencies and organisations.
- coordination and consistency of approach
- dissemination of best practice through training and resource provision
- effective evaluation of policy and practice

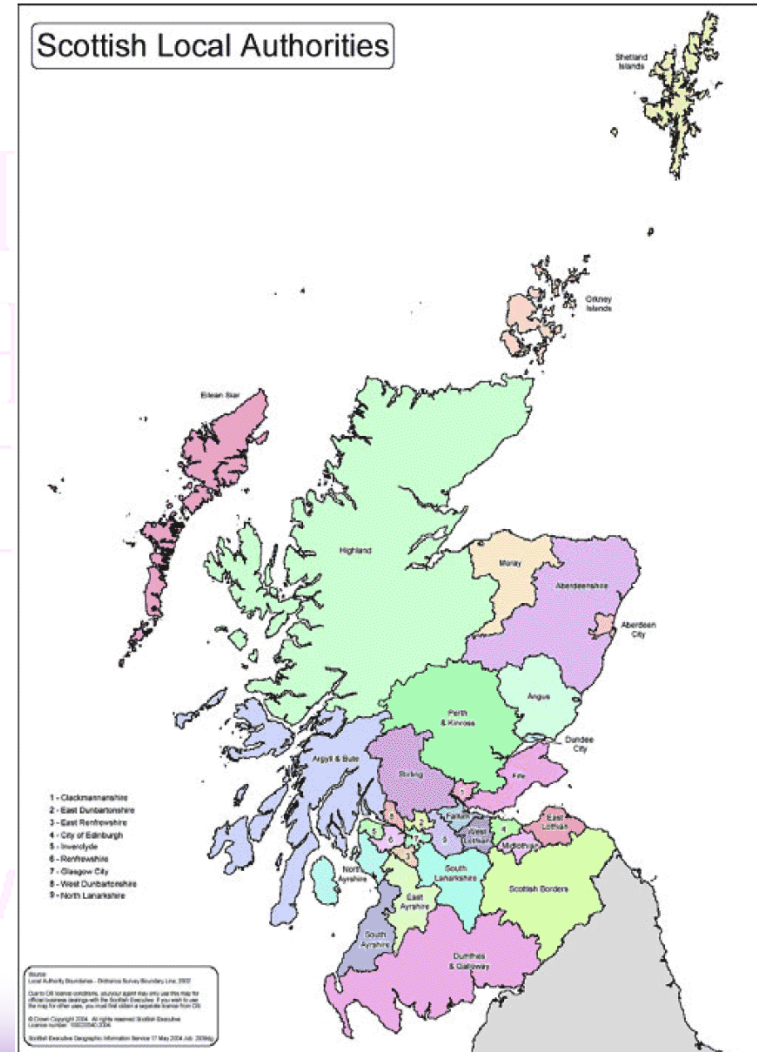

## Scotland's Climate Change Declaration

*“Encourage and work with others in our local community to take action to **adapt** to the impact of climate change, to reduce their own greenhouse gas emissions and to make public their commitment to **action**”.*

# Regional Action - Highland Council

## Step 1 – Gathering Evidence

- Progress began 2008
- Local Climate Impact Profile (LCLIP)
- Staff Workshops
- Community Workshops

# Regional Action - Highland Council

## Step 2 – Using Tools

- Internal data
- UKCP09
- Partnership working – hosting events

*The Hi*
